

Nomination and Application Timeline (Nomination deadline: April 30, 2025)

Please submit your student nominations through the provided link by April 30, 2025. All nominated students should have valid passports, as they will be required to submit them during the application process.

Nominated students will receive an email in early May with details on how to complete the online application. They must submit their completed applications, along with their passports, by May 20, 2025.

No nominations or applications will be accepted after the deadlines.

Please nominate students for either the Fall 2025 semester (1 semester) or the 2025-2026 Academic Year (2 semesters). Nominations for the Spring 2026 semester will be announced at a later date.
